

Additional Notes on Minutes of the Tuddenham St Martin Parish Council meeting held on 2nd July 2019.

Item 3. The Ipswich Northern Route consultation, which would commence 5th July 2019 and end 13th September 2019 was announced on Monday 1st July 2019 so too late to include on the Agenda but highly likely to arise

Item 8. F As no objections had been raised a draft page was in the process of being set up. The extra page would show the facilities of the hall, the terms and conditions of hire, and village hall contact details. It would also show a booking calendar. As this was hosted by google there were no GDPR implications for the Parish Council.

Item 13. b) The Parish Council had received an email from the Examination Hearing Programme Officer. There were 3 attachments to the email which were: 1. The Inspector's initial matters, issues and questions, 2. Guidance Notes, and 3. A draft hearings timetable. Key dates were highlighted as follows:

- **Monday 8 July 5pm - inform Programme Officer of which hearing/s you wish to speak (otherwise comments will be dealt with as written)**
- **Friday 2 August 4pm - submit Matter statements**
- **Tuesday 20 August – Hearings commence**
