Dear Sir/Madam,

The Street, Tuddenham St Martin - Emergency Road Repairs - 19th June 2019

We will be carrying out pothole repairs opposite 2 Dove Cottage, The Street, Tuddenham St Martin.

The works is planned to be carried on Wednesday 19th June 2019 during the hours of 9:30am and 12 noon.

During the period of the works traffic will be controlled by stop/go boards and staff on site. The times and dates of works may change depending on the weather conditions. If they do change, we will let you know by updating the information signs on site.

Access to properties and businesses within the site will be available. If access is required please approach a member of staff who will provide access as soon as it is safe to do so.

It would be much appreciated if all parked vehicles could be moved from around the location of the repairs (marked with yellow paint) early Wednesday morning to enable the Traffic Management Team to set up before works commence, so that we can access the area and carry out the works safely.

Access for emergency services will be maintained at all times.

These temporary traffic management measures are required to allow the works to be carried out safely and in accordance with current Health and Safety guidelines.

If you have any questions about the work, please call us on: 0345 606 6171.

Once we have completed the works, it would be helpful if you could take a few moments to complete a short survey at www.suffolk.gov.uk/suffolk-highways-survey. Your answers will help us improve our service in the future.

Yours faithfully

Suffolk Highways
